WISH YOU WERE HERE....

Florida

EXCLUSIVE TO THE MET TRAVEL CLUB

Florida is one of the most visited places in the USA. Walt Disney World, Universal Studios, magic Kingdom in Orlando and many more theme parks attract many people each year, and you can see why, action packed and full of fun, Orlando is a fantastic place whatever your age!

Why Not take a 2 centre trip staying near Disney then relax at one of the fabulous beach resorts Florida has on offer.

Orlando

The only problem with Orlando holidays is finding enough time to visit every attraction. We guarantee you'll leave wanting to see more. A bit of prior planning goes a long way, so get some kind of rough itinerary together (after all, the anticipation is all part of the excitement!). But there's a lot more to Orlando holidays than theme parks. The region is a top destination for golf lovers of all abilities and home to 8 major shopping malls offering everything from designer shopping to delicious international cuisine.

Orlando international airport is only 20 Minutes from International Drive the Centre of the action.
